UPS PRODUCTS & SERVICES

UPS WorldEase®: Multiple Shipments, One Customs Clearance

Multiple shipments to different destinations within the same country? Clear Customs quickly with UPS WorldEase®!

UPS WorldEase is a fully automated solution that allows you to group up to 10 different shipments destined for a single country in order to clear customs as one transaction. The consolidated shipment is then split and delivered to multiple consignees by UPS. It is a fast, reliable service that complements the UPS Worldwide Express portfolio.

The benefits of using UPS WorldEase are countless. Apart from streamlined documentation, easier handling and lower freight costs brought about by consolidating the shipment, you also enjoy faster service, as all 10 consignees can get their goods customs cleared at once rather than separately.

All the more reason to ship with UPS!
